

# T-Scale

SYSTEM STABILITY  
HIGH EFFICIENCY

## PE10 Intelligent Label Printing Scale

### Embedded Linux Operating System

#### ■ Products through the international accreditation

PE10 Intelligent Label Printing Scales are OIML and CE approved.

#### ■ The PowerADd patent technology

It's using PowerADd technology for to get the hassle free operations with the high standards.

#### ■ Touch operating HD display

Resistive type of touch operating display, 10.1" display size, 1280x800 resolution smart and easy to operate.

#### ■ Multilingual information management system

T-Touch systems are able to use in the different language environment by using the multilingual system

#### ■ Multi-Purpose Customer Display

HD Customer display allowed to use customized promotional pictures, product pictures etc.

#### ■ Rich user interface

Has the rich interface such as ,2 x USB ,2 x RS-232,1 x RJ45,1 x RJ11 ,1 x Mini USB, can connect various peripheral configuration.

Your Precision Partner

## Embedded System

- ARM Embedded System ( Linux)
- Stable and low power consumption
- Affordable price, no license fee required
- High scalability

## Customized Format

Programmable for to get customized Formats

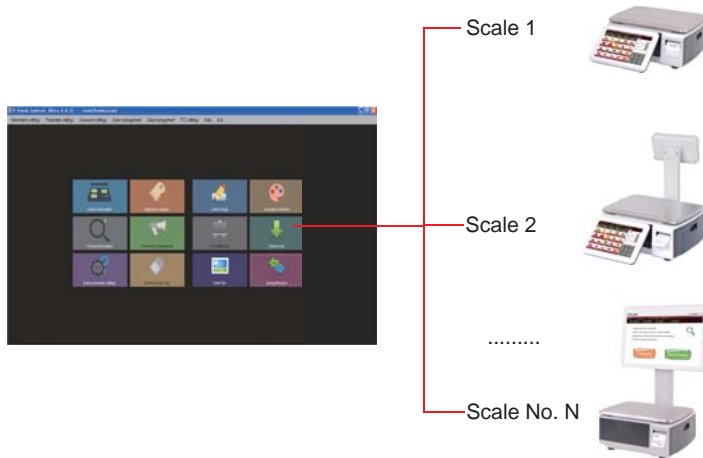

## Cassette System

- Side cassette for immediate change of paper roll
- Support label, linerless and receipt rolls
- Printing speed: 100mm/sec
- Printing width: 54mm
- Printing length: 18cm

## Backstage Management

User-friendly back office software allowing to create customized labels, UI (Operation Interface), Product updates , promotional video & pictures updates, report management, data import & export etc.

## Multipurpose Customer Display

## Product Specification

Operating System	TOS 2.0 Embedded system
Display	Operator display: 10.1 inch
	Client display 7 inch
Housing	Resistive touch screen
	ABS plastic housing
Printer	280x385mm stainless steel housing
	Built-in thermal label printer
	Printing width: 54mm
Communication	Printing speed: Max 100mm/sec
	Side cassette label printer
	2 x USB port
	2 x RS-232
	1 x RJ45 for Ethernet
	1 x RJ11 for cash drawer
	1 x Mini USB
Optional WIFI	

### Peripheral :

Keyboard

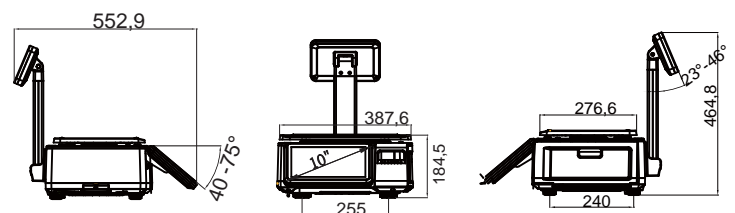

Scanner

Mouse
